## Brian Martin

Brian Martin has an extensive background as Managing Director of international companies in Asia, with examples including Levi Strauss and the German lingerie multi-national corporation, Triumph International.

A Fellow of the NZ Institute of Management and a member of the executive of the Japan/New Zealand Business Council; Brian has achieved singular success as a "turn around" leader of these two significant companies – turning both from substantial loss to a profit position.

In 1989, Brian founded the IAS Learning Group, an international business consultancy, leadership and communication training company, based in Auckland. The company is extremely well recognised and has undertaken assignments for some of the world's top companies including 3M, Johnson & Johnson, Fletcher Challenge and Walt Disney.

Join Brian for breakfast on 25<sup>th</sup> May and go into the draw to receive a complimentary copy of his book **"Who's In Charge Of Your Life?"** – packed with insights on how to become a strong and successful leader in the business world!
